

PARROT BEHAVIOR AND LEARNING: A STEP UP AND BEYOND

Susan G. Friedman, Ph.D.

Applied behaviorist from Utah State University specializing in learning and behavior. Respected author, behavior consultant, and teacher. Developer of the popular *Living and Learning with Parrots* online course.

Barbara Heidenreich

Professional animal trainer and free-flight specialist. Well-known author and editor of *Good Bird Magazine*. Owner of Good Bird, Inc. and Animal Training and Consulting Services.

Avian Behavior Solutions proudly presents these two internationally renowned speakers—for the first time in Wisconsin! You will learn the most effective and humane methods of avian training that will also improve the bond between you and your bird. Using lecture, video, interactive activities, games, and live demonstrations, topics will include:

Understanding your bird's body language
The what, when, and why of problem behaviors
The science of Applied Behavior Analysis: how and why it works
Devising behavior change plans
Training new behaviors for interaction, caregiving, medical procedures, fun
And more . . .

Whether you are a professional or a companion parrot owner, this is a weekend you will not want to miss!
